Press Release

2 August 2012

DHPS Bazaar goes GREEN

DHPS Bazaar 2012 will take place on 17 August!

This well known event will start at 11h00. Pupils and parents have prepared a day of entertainment for the whole family! Like every year there are stalls with games to play especially for the enjoyment of the younger generation. No one will go hungry: cakes at the coffee corner, steak rolls, braaivleis and many more culinary delights are on offer.

This years' bazaar motto „the green bazaar“ supports the work of the school's environmental "YOUTHink Green" initiative. Besides the usual food on offer, organic food will be on sale!

On a practical side, we shall minimize the normal rubbish of such an event and are therefore exchanging the use of one-way cutlery, paper plates and paper cups with compostable crockery and plates. We also appeal to our visitors to "Think green" and use the different waste bins to sort the trash. Recyclable material will be collected and composted!

A green fair titled "Sustainability for everybody" with 'green' companies from Windhoek will be presented from 13hrs to 19 hrs in the school hall. This exhibition will prove that a green lifestyle can already be adopted and implemented in Namibia.

The Eco-Pub-Quiz "Sustainability" will form part of the evening entertainment in the assembly hall from 19h00. This event will be presented by the well known radio presenter "Deacon" from Radiowave. Lots of grand prizes are to be won. The members of the "you thinkgreen" initiative are also taught how to advertise and promote their ideas. The group developed new bazaar logos and the design of Nandi Merdes promotes the DHPS Bazaar 2012!

DHPS Bazaar

17 August 2012 from 11 hrs

Entrance N\$ 20 (Entrance = voucher to the value of N\$ 20)
